

CALL FOR PRESENTATIONS

Florida Parking Association – 2017 Annual Conference & Trade Show - “Embracing CHANGE..... from the information age to the connectivity age! Are you Ready?services....products....careers”

Join FPA as we prepare ourselves to embrace **CHANGE in the parking and transportation world** at the 38th Annual Conference & Trade Show, located at PGA National Resort & Spa, Palm Beach Gardens, FL – November 28 thru December 1, 2017.

FPA is dedicated to advancing the parking and transportation profession. When developing the conference educational sessions, our goal is to provide programs that meet the educational needs of our conference attendees and that are presented by speakers of the highest quality and represent the diversity of FPA. The most effective educational sessions come from you! Florida Parking Association is now accepting presentation proposals for the 2017 FPA Conference and Trade Show. **SUBMISSION DEADLINE: SEPTEMBER 29, 2017.** All proposals should be submitted by e-mail to: Marilyn Etheridge, Association Manager, at metheridge1@verizon.net. If you have difficulty with submitting, please call Marilyn Etheridge at 813-259-3549. You will be notified by the 3rd week of October if your presentation has been accepted.

8/22/2017

FPA's purpose is to advance the parking and transportation profession and to increase awareness of the world of parking by education, professional development, connections, data collection/analytics, advocacy, products and services, and many networking opportunities.

Topics of interest integral to the educational goals of the FPA conference as it relates to parking and transportation include those topics below. Please identify your proposed presentation topic:

- | | | | |
|---------------------------------|-----|----------------------------------|-----|
| Transportation Flow/Systems | () | Land Use/Mixed Use | () |
| Economic Development | () | Law Enforcement | () |
| Security / Products / Systems | () | Architectural Aesthetics | () |
| Engineering / Safety / Flow | () | Automated/Driverless Cars | () |
| Operations | () | Alternative Transportation (TDM) | () |
| Customer Service Programs | () | Public/Private Partnerships | () |
| Demand Parking/Variable Pricing | () | Emergency Plans/Preparedness | () |
| Ride SharingUber/Lyft Impact | () | Parking Demand/Analysis | () |
| Adaptive Re-Use | () | | |

Actual Case Studies with owner participation in any of the above topics is preferred.

FPA's audience includes universities, municipalities, governmental agencies, hospitals, airports, parking authorities, architects/engineers/contractors, developers, financial institutions, private operators, product developers, retail, hospitality, and transportation agencies.

Speakers do not receive compensation and must register as a conference attendee. However, speakers will be provided the FPA member rate; please call Marilyn Etheridge for speaker registration.

All Proposals should be submitted by email to: Marilyn Etheridge, Association Manager, at metheridge1@verizon.net by **September 29, 2017**. If you have questions, please email or call Marilyn Etheridge 813-259-3549.
